Report on the Assurance Engagement on the Compilation of Pro Forma Financial Information included in a Circular

We have completed our assurance engagement to report on the compilation of the Pro Forma Financial Information of Afrimat Limited (“Afrimat” or the “Company”) by the directors presented in a combined Afrimat and Unicorn Capital Partners Limited (“UCP”) circular to UCP shareholders to be dated on or about 9 September 2020 (“the Circular”). The pro forma financial information, as set out in paragraph 15.4 and Annexure 6 of the Circular, consists of the pro forma financial effects, the statement of financial position as at 29 February 2020, the pro forma statement of comprehensive income for the period ended 29 February 2020 and related notes (the “Pro Forma Financial Information”). The applicable criteria on the basis of which the directors have compiled the Pro Forma Financial Information are specified in the JSE Limited (JSE) Listings Requirements and described in Annexure 6 of the Circular.

The pro forma financial information has been compiled by the directors to illustrate the impact of the scheme of arrangement in terms of section 114(1) of the Companies Act, proposed by the UCP Board between UCP and UCP shareholders, in terms of which, if successfully implemented, Afrimat will acquire all of the shares not already held by Afrimat in UCP (“the Scheme”). As part of this process, information about the Company’s financial position and financial performance has been extracted by the directors from the Company’s financial statements for the period ended 29 February 2020, which is audited.

This standard requires that we plan and perform our procedures to obtain reasonable assurance about whether the Pro Forma Financial Information has been compiled, in all material respects, on the basis specified in the JSE Listings Requirements.

For purposes of this engagement, we are not responsible for updating or reissuing any reports or opinions on any historical financial information used in compiling the Pro Forma Financial Information, nor have we, in the course of this engagement, performed an audit or review of the financial information used in compiling the Pro Forma Financial Information.

A reasonable assurance engagement to report on whether the Pro Forma Financial Information has been compiled, in all material respects, on the basis of the applicable criteria involves performing procedures to assess whether the applicable criteria used by the directors in the compilation of the Pro Forma Financial Information provide a reasonable basis for presenting the significant effects directly attributable to the event or transaction, and to obtain sufficient appropriate evidence about whether:

- The related pro forma adjustments give appropriate effect to those criteria; and
- The Pro Forma Financial Information reflects the proper application of those adjustments to the unadjusted financial information.

The procedures selected depend on our judgment, having regard to our understanding of the nature of the Company, the event or transaction in respect of which the Pro Forma Financial Information has been compiled, and other relevant engagement circumstances.

Our engagement also involves evaluating the overall presentation of the Pro Forma Financial Information.
